

# Elinor Trevelyan — Actor Profile

Profile date: June 16, 2026 | Age: 26

## Identity

**Full legal name:** Elinor Catherine Trevelyan

**Professional stage name:** Elinor Trevelyan

**Date of birth:** August 2, 1999

**Ethnicity:** White British

**Nationality:** United Kingdom

**Heritage:** Cornish — Penwith coast family roots (St Ives / Zennor line); Trevelyan surname traceable to west Cornwall mining and fishing communities

**Prompt prefix (required):** 26-year-old White British woman

## Languages

- English (native RP with Cornish coastal lilt when relaxed)
- Cornish (basic conversational — greetings, place names, occasional phrase in character)

## Physical description

5'7", lean swimmer's build with strong shoulders and long limbs. Honey-blond hair, naturally wavy, worn loose to mid-back or pinned in a low practical knot for work scenes. Grey-green eyes that read pale in overcast light, warmer in golden hour. Fair skin with light freckling across nose and shoulders; tans unevenly after long Cornish summers. Hands show faint callus from climbing and outdoor work — continuity detail for rural/coastal roles. No tattoos; no piercings except small gold studs in both ears.

## Tattoo inventory

None — continuity: no tattoo additions without canon update.

## Signature looks

Wind-tousled honey-blond; minimal makeup (freckles visible); rose-beige lip. Cool coastal palette in wardrobe — slate, cream, navy, olive. Silver signet ring (family heirloom) on right hand — continuity prop in most modern roles.

## Archetypes

- Coastal drama lead — stubborn, wind-scoured, quietly brave
- Period piece ingénue with steel beneath the manners
- Modern British indie romantic lead
- Grief-carrier who keeps moving until she breaks in private

## Performance style

Grounded British naturalism in the tradition of Carey Mulligan's restraint and Jodie Comer's emotional precision, with flashes of Billie Piper warmth in intimate scenes. Underplays big moments; lets the camera find the crack. Physicality is athletic and unshowy — climbs, walks, works with her body rather than posing. Strong in landscape-led storytelling and silence.

## Voice notes

Clear West Country warmth when guard is down — softened consonants, longer vowels on 'ar' and 'o'. Can shift to neutral London RP for urban or period roles. Laugh is open and sudden; anger arrives quiet first, then precise. Singing voice untrained but honest — folk-adjacent, not musical-theatre.

## On-screen comfort

Comfortable with tasteful, story-serving intimacy per Cinematic\_Intimacy\_Safe\_Legal\_Protocol\_v1.3. Topless only when narratively earned; clinical/neutral prompt language required. Not available for explicit adult content. Nude staging acceptable in arthouse context with compliance review.

## Personality

Outwardly composed and practical — the person who checks the tide, fixes the gate, and makes tea before discussing feelings. Cornish stubbornness is real: she will not be talked out of something she believes is right. Beneath the reserve: deep attachment to place and family, dry humour, and a fierce protectiveness of the vulnerable. Does not perform vulnerability for approval; grief and longing surface in small physical tells — a tightened jaw, a longer stare at the sea.

## Base reference images

- Waxed Barbour-style jacket, cream fisherman's knit, mud-splashed boots — coastal winter
- Ivory linen dress, bare shoulders, Cornwall cliff light — period / romance beat
- Dark navy swimsuit, wind-wet hair — sea swimming continuity plate
- 1940s-inspired tea dress, structured collar — period drama reference

## Casting notes

Lead and co-lead in British drama, period pieces, coastal/rural thriller, and indie romance. Cornish background should inform character when script allows — not caricature. Age must lead every prompt: '26-year-old White British woman...'. Excels when environment is a character (sea, cliff, rain, stone). Avoid casting as generic 'English rose' without interior complexity.

## Casting Shot Prompt

Standard Studio casting-shot template: GENERATE 3D MODEL of back, side and front profiles — 16:9 wide full-body turnaround on solid white, fully covered bikini wardrobe (NOT topless), arms at sides. Age-led person description from physical canon.
